

## SIDDESH MANOJ HIWALE

B.Tech. - CSE - Cloud Computing

Ph: +91-7758087054

Email: siddeshhiwale82@gmail.com

Pune, Maharashtra, India - 411001

### EDUCATION

#### MIT School of Computing

2023 - 2027

B.Tech. - CSE - Cloud Computing | CGPA: 6.53 / 10

12<sup>th</sup> | Percentage: 66 / 100

2023

10<sup>th</sup> | Percentage: 85 / 100

2021

### PROJECTS

#### Offline Private ChatGPT for Organizations

12 May, 2026 - 31 May, 2026

Team Size: 1

Key Skills:

Python Machine Learning FastAPI Artificial Intelligence Vector Databases Docker NLP Ollama RAG  
React Sementic Search Secure AI Deployment

I have developed a private AI-powered chatbot platform for organizations to securely interact with internal documents and knowledge bases without relying on external AI services. Implemented local LLM inference using Ollama and integrated Retrieval-Augmented Generation (RAG) architecture with vector databases for intelligent contextual response generation. Built scalable FastAPI backend services and a React-based user interface for secure document interaction and enterprise knowledge management. Containerized the application using Docker for portable deployment and optimized offline AI workflows to ensure privacy-focused and low-latency performance in resourceconstrained environments.

#### Offline speech to speech chatbot

04 May, 2026 - 09 May, 2026

Team Size: 1

Key Skills: Voice cloning Voice synthesis LLM Whisper Text-to-Speech Speech Recognition data feeding

I have created a Offline speech to speech chatbot which has various functionality like voice cloning, can answer according to the data feeding ,i have used LLM in the backend for adding the intelligence in the chatbot and made it run locally, used new technologies .

#### career setu ai

20 Apr, 2026 - 02 May, 2026

Mentor: Sister | Team Size: 1

Key Skills:

Python Machine Learning FastAPI Speech Recognition AI automation PDFP NLP GenAI Vector Databases  
RAG Faster Whisper Report Generation Resume Analysis

Project Link: <https://github.com/siddeshh/career-setu-ai.git>

Developed an AI-powered interview preparation and career guidance platform with features including AI mock interviews, resume analysis, speech-to-text evaluation, multilingual translation, and automated performance reporting. Built scalable FastAPI-based backend APIs and integrated NLP and Generative AI models for intelligent interview assessment and chatbot interaction. Implemented document and audio processing pipelines using Faster-Whisper and PDF extraction tools to analyze candidate responses and resumes efficiently. Collaborated on end-to-end AI solution development, improving user experience through real-time feedback, automated scoring, and smart career recommendations.

### PERSONAL INTERESTS / HOBBIES

- Sketching, Gaming, Sports, Travelling

### PERSONAL DETAILS

Gender: Male

Marital Status: Single

Current Address: A4, Tara City, Ramdhara Road, Loni Kalbhor,  
Pune, Maharashtra, India - 411001

Emails: siddeshhiwale82@gmail.com , siddeshhiwale8@gmail.com

Date of Birth: 27 Apr, 2005

Known Languages: python

Permanent Address: SWASTIK COLONY, NO.3, Wardha,  
Maharashtra, India - 442001

Phone Number: +91-7758087054
